

CORE Supervisory Skills Programme

CORE is established as the **leading blended supervisory development** programme in South Africa. The programme equips supervisors with the **confidence** and **skill** to lead and drive **performance**. Through the cross pollination of ideas, learners begin to identify themselves as a **critical** component of the **leadership chain**. They learn to accept **responsibility** for their role as **executors of strategy**, Including how to nurture a **collaborative culture** focused on **operational excellence**. DYNA's advanced learning methodology **shifts attitudes, changes behaviours** and grows effective first line leaders.
